

## Online Resource Troubleshooting

[Louisiana Public Broadcasting](#)

Browse for multiple resources on the right-hand side of the page. Check out the broadcasting schedule as well.

[Starfall](#)

Click on the student's grade level or choose a topic. No account required.

[Sheppard Software](#)

Select content area and then topic. No account required.

[Highlights Kids](#)

Select one of the engaging options at top of page from activities to games to podcast (under listen).

[Scholastic Learn at Home](#)

Click on the student's grade level and begin the day's lesson.

[iXL](#)

Click on the student's grade level. There's a 10 question limit per subject and per day.

[Moby Max](#)

Use this site if student does not remember username and password into Moodle. Choose homeschool on the right side of the page.

[Moodle](#)

Log in to Moodle. Click on District Textbooks & Applications. Select grade level and click on MobyMax icon.

[Cool Math](#)

Select content area and then topic. No account required.

[AAA Math](#)

Select tabs at the top of the page: Games, Lessons, Quizzes, Manipulatives, Brain Teasers, More. No account required.

[Mystery Science](#)

Click on the student's grade level and begin with the mini-lesson.

[Khan Academy](#)

Grades 7-8: Click on the pull down menu (next to Search). Select content area by student's grade level. Begin with skills from top and work downwards.

Grades 9-12: Select Arts & Humanities and then Grammar.

[ACT Academy](#)

Sign in as a student. Then, sign up with an email unless you know the code from your teacher. No class is needed to access site. Follow sign-in prompts to continue without class code. Choose any subject or follow day-by-day schedule at the bottom of the page.

[Library of Congress](#)

For primary source sets, lesson plans, presentations, and activities, select desired resource. No log-in required.

[iCivics](#)

For free government and civics education lessons, select “Sign In” at top right of homepage and create free account.

[American History Stories](#)

For United States History activities by subject, time period, or activity type, select desired activity. No log-in required.

[AP Central](#)

This site provides information and updates from the College Board regarding Advanced Placement Courses, Online Practices and Information about AP Testing.

[Modern States](#)

Sign up by creating an account.

[CLEP](#)

The courses are designed to prepare students for the Major “Advanced Placement” (AP)\* or “College Level Examination Program” (CLEP)\* tests offered by the College Board, including subjects such as History, Computer Science, Math, English and Economics.
