

St. Tammany Parish Public School System
Board Briefing - September 2003

Board Briefing is a summary of St. Tammany Parish School Board action taken at the September 11, 2003, School Board meeting and is not intended to be a complete accounting of Board action.

Mandeville Middle School Commended

Mandeville Middle School administrators and teachers were commended for their summer Share Fair at which innovative instructional programs are presented for teachers throughout the region. The school sponsors the event each year to allow teachers to share ideas that increase learning in the classroom.

United Way Campaign Supported

A resolution was passed supporting the United Way Campaign that is under way in the community.

Abita Springs Elementary and Mandeville Middle Schools Recognized by National PTA

Congratulations and praise were extended to Abita Springs Elementary and Mandeville Middle Schools on receiving National PTA awards for School Excellence in Parental Involvement.

2003-2004 Budgets Approved

The 2003-2004 Fiscal Year School Board budgets proposed by Superintendent Sloan were approved.

Quotation for Fontainebleau High School Tennis Courts Accepted

The low quotation submitted by Dennis Glass Construction Company for the construction of a tennis court addition at Fontainebleau High School was accepted. The quotation amount is \$48,960, and funding is from the parishwide construction fund.

Slidell Curriculum Center Restroom Addition Approved

The restroom addition at the Slidell Curriculum Center was accepted as substantially complete, subject to recommendations of the architect, completion of the punch list, and approval of Superintendent Sloan.

New Classroom Addition at Magnolia Trace Elementary School Approved

The construction of a new eight-classroom modular addition at Magnolia Trace Elementary School to accommodate large enrollment increases at the school was approved. To expedite construction, the policy and procedure for procuring professional services for capital projects were waived to allow the original architect for the school to provide design services for the addition. Funding for the project will come from the General Fund.

Job Description for Educational Multi-media Production Specialist Accepted

The job description for an educational multi-media production specialist was accepted.
