Louisiana Community and Technical College System Commended

A resolution was passed recognizing the important role of the Louisiana Community and Technical College System in providing learning opportunities for high school students. Officials Mary Kay Roy and Michael Murphy of the Slidell and Sullivan campuses were commended for their leadership and cooperation in working with the St. Tammany Parish Public School System in providing staff, curriculum, and training opportunities.

Principal of the Year Recognized

Experienced educator Mary Ann Koon, principal at Lyon Elementary School, was presented the 2001-2002 Principal of the Year award for the School System. Mrs. Koon has been principal at Lyon Elementary since 1991. She began her teaching career there and over the years at schools in Jefferson and St. Tammany Parishes has been a kindergarten, first grade, and special education teacher; a resource helping teacher; and an assistant principal. The award is given each year for outstanding leadership and contribution to education.
