ARTICLE II - RECOGNITION

Section 2:01 - General Recognition

The St. Tammany Parish School Board (hereinafter known as the "Board") recognizes the St. Tammany Federation of Teachers and School Employees, American Federation of Teachers, Louisiana Federation of Teachers (hereinafter known as the "Federation") as the sole, exclusive bargaining agent with regard to the wages, hours and working conditions for all full-time or part-time, nonadministrative, nonsupervisory employees (hereinafter referred to as "Employees" or "Bargaining Unit members"). The phrase "full-time or part-time, nonadministrative, nonsupervisory employee" means the following: all full-time or part-time aides and other paraprofessionals but specifically excluding substitutes, temporary replacements and private contractors. No employee, job classification or job position, whether existing or created during the term of this Agreement, shall be considered as included within the Bargaining Unit other than those expressly defined herein as included. For purposes of this Agreement, a part-time employee is any employee whose work schedule is less than that of a full-time employee for that job classification as established by the Board.

Section 2:02 - Change of Position Title

In the event there is a position title change for any job classification in the Bargaining Unit, said position shall remain part of the Bargaining Unit during the term of this Agreement.

Section 2:03 - Exclusive Nature of Recognition

(a) The Board agrees that during the term of this Agreement it will not recognize any other organization as the bargaining agent for members of the Bargaining Unit as defined herein, nor will it extend to any other organization which actively competes or campaigns for or against collective bargaining rights or which seeks to represent members of the Bargaining Unit for purposes of collective bargaining, or which seeks ballot status in collective bargaining elections, any of the exclusive rights extended within this Agreement to the Federation, irrespective of whether such organization characterizes itself as a "labor" organization.

(b) The Federation is recognized as the exclusive and only competing organization that may represent any employee in any employment-related dispute with the Board. The Federation is further recognized as the sole collective bargaining agent with responsibility for administering this Agreement on behalf of Bargaining Unit employees.

Section 2:04 - Accretions to the Bargaining Unit

During the term of this Agreement, should the Board create a full-time, nonadministrative, nonsupervisory paraprofessional position in addition to those enumerated hereinabove, such positions shall be considered part of the Bargaining Unit.

Section 2:05 - Bargaining Information

The Board shall furnish to the Federation a copy of all information not privileged under the Louisiana Public Records Acts necessary for the proper administration of the terms of this Agreement or for the negotiation of a successor Agreement. The Board shall not be required to do research or to assemble or compile data not already available.

Section 2:06 - Decertification

(a) No earlier than May 1, 2011, any employee or employees covered by the Paraprofessional, Maintenance, Secretaries and Clerks, School Food Service Technicians, Custodial Employees or Bus Owners/Operators and Attendants Agreements (hereinafter "support employees" for purposes of this Section) may petition the Board for a secret ballot election during which a simple majority of all support employees voting in a common, support employee election shall determine whether the Federation, another labor organization or no labor organization will act as their collective bargaining representative. Such election petition must bear the signatures of at least 51% of all support employees or it will otherwise be disallowed by the Board. The signatures may be gathered only during the 45-day period preceding the 30th day of June, 2011.

(b) Upon receipt of a valid petition for an election, the Board will provide the president of the Federation with a copy. Within ten (10) days of the Federation's receipt of a copy of the election petition, the Federation or any member of the Bargaining Unit may request that the signatures on the petition be checked for validity by either the St. Tammany Parish Registrar of Voters provided that the Registrar agrees to verify the petition, or alternatively, by the American Arbitration Association. The cost of the verification shall be borne by the party petitioning it.

(c) If, following verification, the St. Tammany Parish Registrar of Voters, or alternatively, the American Arbitration Association certifies that the petition contains the signatures of at least 51% of the members of the support employees, the Board shall schedule a date and time for an election by secret ballot. The election shall be conducted in accordance with the rules established by the Board for the September 19, 1991 collective bargaining elections.

ARTICLE III - NEGOTIATIONS

Section 3:01 - Release Time

When negotiations for this Agreement are mutually scheduled during regular school hours, the Federation bargaining team, not to exceed three (3) employees in number, shall be released without loss of pay or benefits.

Substitutes shall be provided for released employees where appropriate to insure the health and safety of the class. The supervisor and principal in charge shall determine whether a substitute is required.

 - (4) Use of facilities will only be allowed outside of school attendance hours. When feasible, use of those schools designated as community education sites may be required;
 - (5) This Section shall not be applicable to any meetings of more than ten (10) persons (exclusive of Federation officers and staff) if less than 90% of those expected to attend are employees of the Board; and
 - (6) No competing organization shall be extended this right.

Section 4:08 - Notice of Board Meetings

The Board shall make available to the Federation President a copy of the agenda of scheduled monthly Board meetings, including all reports and attachments, excluding confidential information or information earmarked for executive session, as soon as the same is available to Board members. In the event of a specially called meeting of the School Board, the Board agrees to notify the office of the Federation of the time and place of such meetings and, where appropriate, of the agenda for the meeting. Such notifications shall be given promptly following the official call of the meeting. The Federation President shall also be provided with a copy of the official minutes of each Board meeting within five (5) working days of the Board's approval of those minutes or at the time of release for publication in the Board's official journal. No competing organization will be extended this right.

Section 4:09 - Dues Deduction and Indemnification

(a) Employees shall have the right to request that any dues they have agreed in writing to pay to the Federation be deducted from their paychecks and remitted directly to the Federation. Upon receipt of a properly executed authorization form from the employee involved, the Board will deduct from the employee's paycheck whatever dues the employee has agreed to pay to the Federation during the period provided in said authorization. In the event there is an authorized change in the amount of dues to be deducted for any employee, the Federation shall provide the Board with the name and the new amounts to be deducted for that employee. There will be no charge for reimbursement by the Board in making routine deductions, changing the amount of deductions or in adding employees to the list of those authorizing deductions.

(b) The Federation agrees to indemnify, hold harmless and defend the Board in the event any member or members of the Bargaining Unit take any legal action against the Board as a result of any dues deduction or as a result of the Board discontinuing the dues deduction presently in place with respect to any competing labor organization.

(c) Authorizations by employees for deductions of Federation dues shall remain in force from year to year unless revoked by the employee within the 30-day pay period prior to the completion of any annual payment. This revocation must be in writing to the Payroll Department and the Federation.

(d) All authorizations for dues shall cease to be effective upon an employee's separation of employment from the Board.

(e) Dues deducted in accordance with the provisions of this Section will be promptly remitted to the Federation in accordance with present practice.

(f) No competing organization shall be extended this right.

Section 4:12 - Notice of Changes in General Employment Policies

The Board shall make available to the Federation President copies of all notices affecting the terms, conditions or requirements of employment for those covered by this Agreement as well as those affecting changes in general employment policies or regulations.

Section 4:13 - Leave for Federation Business

In the event the Federation desires to send representatives to annual Federation local, state or national conferences, a maximum of two (2) representatives shall be excused for any single annual conference, without loss of pay or benefits, but with the cost of any substitute required to be borne by the Board, provided that no two (2) reps will be absent from the same worksite at the same time. No employee shall be excused more than four (4) working days for any single annual local, state or national conference. Employees selected by the Federation shall be granted leave to attend to Federation business on behalf of the Bargaining Unit; however, leave will not be granted for more than four (4) employee workdays each school year, and no single employee may be absent on such leave more than four (4) workdays.

Section 4:14 - Recognition at Board Meetings

The Federation may request to be recognized during any board meeting when matters of concern to the Federation are discussed whether or not the Federation placed a formal request to appear on the agenda. The Board President will determine whether or not the request will be granted and, if granted, will determine the time limit of the appearance. No informal request to appear will be granted if the topic the Federation wishes to address was discussed in Committee and the Federation did not attend the Committee. No competing labor organization will be extended this right.

Section 4:15 - Matters of Mutual Concern

The Superintendent, and/or designee, shall meet at a mutually agreeable place and time with the Federation President, or designee, to discuss matters of mutual concern directly affecting the implementation of this Agreement. Similarly, the worksite supervisor and the Federation building representative will meet by mutual agreement to discuss implementation of this Agreement and matters of mutual concern relating to the worksite. Either party, management or Federation, may request such meetings, but neither may demand one. No competing organization shall be extended this opportunity.

Section 4:16 - E-Mail

With the approval of the Superintendent, the Federation shall have the right to submit communications to the Superintendent's office for placement on the E-Mail system. No competing organization shall be extended this right.

Section 4:17 - Distribution of Materials - Mailboxes

At least one (1) mailbox will be provided at each worksite for each Bargaining Unit classification.

Section 4:18 - Paraprofessional and School-related Personnel Recognition

The Board and the Federation have expressed an interest in designating one (1) workday each year as PSRP Day. The parties agree that PSRPs are deserving of a recognition day similar to Teacher's Day and Secretary's Day.

Section 4:19 - New Employees List

After it becomes available and upon written request to the Department of Human Resources, the Board shall provide the Federation with a list of new employees hired for the school year.

Section 4:20 - Employee Informational Sheet

After it becomes available and upon written request to the Informational Technology Department, the Board shall provide the Federation with a copy of the employee informational sheet (listing name, address and telephone number) for each worksite.

Section 4:21 - Printouts and Labels

After it becomes available and upon written request to the Informational Technology Department, the Board shall provide the Federation with computer printouts and labels for members of the Bargaining Unit and/or the Federation.

ARTICLE V - MANAGEMENT RIGHTS

The parties recognize and reserve to the Board all rights with respect to management of the St. Tammany Parish School System. Included therein is the sole, exclusive right to direct all operations pertaining to the School System in all of its aspects, to control operations, to budget, hire, promote, demote, discharge, discipline, transfer, assign work, to determine the size of the work force and what work should be performed, to contract and subcontract, introduce new methods, facilities, and equipment, to make policy, to interpret the mandate of school law as it applies to the Board and the School System and the discharge of the Board's functions, to introduce new and varied curricula and educational philosophies, and to make and enforce reasonable rules and regulations related to any of the above enumerated matters or to any aspect of management of the School System. Additionally, the Board shall have the sole right to add schools, close schools, merge schools, or build or develop new or additional schools as in its judgment will best serve the interest of the community, to determine the age, qualifications and number of pupils to be admitted into any particular school, to evaluate staff, develop, implement and evaluate instructional programs, to determine organizational patterns, grade level distribution, staffing, school calendar and the number and location of schools, to develop and implement guidelines for student discipline and to take any and all actions as may be in its judgment required or necessary to insure the safety and well-being of students, staff and property in all cases, including cases of emergency.

All of the foregoing rights reserved unto management shall be limited only to the extent such limitations are expressly imposed by subsequent Articles or provisions of this Agreement.

ARTICLE VI - INFORMAL COMPLAINTS AND CONFERENCE PROCEDURE

A sincere attempt shall be made to resolve any complaint or potential grievance. The parties acknowledge that an employee and a principal or supervisor may resolve problems on the job through free and informal communications. Accordingly, any employee with a complaint, problem, or possible grievance may schedule an appointment with his principal. No principal shall refuse to informally meet with an employee. The employee shall have the right to have a building representative present at such a meeting, but it is not required.

The informal complaint and conference procedure is not part of the grievance procedure established in this Agreement and no decision made as a result of the informal conference shall establish prior practice or precedent.

Nonetheless, if an employee requests an informal conference with his principal within ten (10) working days of the potential grievance arising and if the potential grievance is not resolved at the informal conference, it may be submitted within ten (10) working days of the informal conference as a grievance in accordance with Step I of the Formal Grievance Procedure hereunder.

The time limitation for the informal conference may be extended by mutual Agreement of the employee and his principal.

Any documentation developed during the informal conference will not be placed in an employee's personnel file.

ARTICLE VII - NO STRIKES, NO LOCKOUTS

The Federation and the members of the Bargaining Unit expressly agree that during the term of this Agreement they will not engage in any strike, walkout, sick-out, slow down, sympathy strike or any other disruption of work. Expressly included in this no strike guaranty is the guaranty that the Federation will not, directly or by implication, endorse, countenance, approve, arrange or organize in any manner whatsoever a work stoppage, disruption or strike under the guise of Bargaining Unit members coincidentally demanding personal leave days.

The Board agrees that there shall be no lockout during the term of this Agreement; however, the term lockout as used herein shall not be construed so as to affect the right of the Board to close any facility, in whole or in part, or to reduce the number of employees employed by the Board.

On recommendation of the Superintendent, the Board may authorize release time for any employee or employees for the purpose of lobbying the Legislature or other public officials with regard to issues deemed by the Board to be in the best interest of the St. Tammany Parish School System. Such release time will be without loss of pay or benefits and will not be considered as a violation of this no strike Clause.

ARTICLE VIII - GRIEVANCE AND ARBITRATION PROCEDURE

Section 8:01 - Statement of Cooperation

The Board and the Federation agree that they will use their best efforts to encourage the prompt and orderly settlement of disputes which may arise under the terms and conditions of this Agreement.

Section 8:02 - Definition of Grievance

A grievance is a complaint by an employee, by a group of employees or by the Federation that there has been, according to the grievant, a violation, misinterpretation or inequitable application of any provision of the Agreement. Accordingly, the parties agree that any and all disputes arising under the terms and provisions of this Agreement or involving its interpretation shall be resolved in accordance with the grievance and arbitration procedures established herein, with the exception that any grievance involving the removal, discharge or constructive discharge of an employee, or involving the disciplinary demotion or reduction in rank of an employee, shall be heard and resolved in accordance with provisions of Article IX of this Agreement instead of through grievance and arbitration.

Section 8:03 - General Provisions

(a) Each formal statement of a grievance must contain the question at issue, a statement of facts, the specific Article of this Agreement which allegedly is being violated, the relief requested, the signature of the grievant and the signature of an authorized Federation representative. However, if the individual bringing the grievance declines representation by the Federation as provided in section 8:03(c) below, the signature of an authorized Federation representative is not required, nor will the signature of an authorized Federation representative be required in the situation where the grievant does not wish to disclaim Federation representation but the Federation indicates in writing that it does not wish to pursue the grievance. Any grievance not bearing the signature of an authorized Federation representative will not be processed unless it is accompanied by a disclaimer form or by a written communication from the Federation indicating that the Federation will not pursue the same.

(b) All grievances beyond the building level must be transmitted by U. S. Postal Service, certified mail, return receipt requested or personally delivered and receipted.

(c) An employee shall have the right of representation by the Federation, and only by the Federation, at all steps of the grievance procedure herein, or an employee may choose to decline Federation representation and represent himself. If an employee declines representation by the Federation, he shall do so on an official disclaimer form obtained from the Administration or from the Federation. Also, the parties understand and agree that the grievance process is an in-house, administrative process and that no party, whether the Federation, the Board or an individual, may be represented by an attorney.

(d) The Federation retains its right to determine if any grievance, not withdrawn, may proceed to arbitration.

(e) Any employee required to participate at a grievance hearing or arbitration during his scheduled work time shall suffer no loss of pay, benefits or leave time thereby.

(f) The parties may, upon mutual Agreement in writing, extend all grievance deadlines.

(g) Upon the failure of the Federation to process the grievance to its next step or to arbitration within the time limits provided in this Article, the grievance shall be deemed resolved by the decision at the prior step. Also, absent the authorization of the Federation, no employee may process a grievance past Step I, the Superintendent's level.

(h) Upon the failure of the Board to meet any time limit as prescribed in this Article, the grievance shall automatically be advanced to the next higher level.

(i) As used herein, "days" shall mean calendar days.

(j) Meetings held under the provisions of this Article shall be conducted at a time and place which will afford a fair and reasonable opportunity for the grievant, his representatives and witnesses to attend. When such meetings are held during school hours, the grievant, his representatives and any witnesses required shall be excused without loss of pay. In class grievances, the Federation shall be the representative of the class and shall act as the nominal grievant.

(k) All grievance and arbitration meetings and hearings shall be open to all grievants and nonsequestered witnesses. Such meetings and hearings shall also be open to representatives of the parties and to those charged with responsibility for conducting said meetings or hearings. All such hearings and meetings shall be closed to the press and to the general public except for any hearing or meeting required by law to be open.

(l) By mutual written Agreement, the parties may bypass any step of the grievance procedure.

(m) The authority of any arbitrator selected shall be limited solely to construing and interpreting the Agreement and he shall have no power to add to, modify or subtract from any of the terms of the Agreement.

(n) The fees and expenses of any arbitrator selected under this Article shall be paid by the losing party in the event the grievance is either affirmed or denied in its entirety by the arbitrator. Should the grievance be affirmed in part and denied in part, the fees and expenses of the arbitrator shall be borne equally by the parties.

(o) Either party may request the presence of a court reporter for an arbitration hearing or for a hearing before the Board. If only one party requests the presence of a court reporter, that party shall bear the cost of the reporter along with the cost of furnishing a copy of the reporter's transcript to the other party.

(p) If only one party requests the postponement of an arbitration hearing, that party shall bear the cost of such a postponement.

(q) By mutual Agreement, a grievance may be settled at any step without establishing a precedent.

(r) The parties may mutually agree to take any particular grievance to expedited arbitration.

(s) The Federation shall have the right to have its representatives present at all steps of the grievance and arbitration procedure save and except for such hearings as may be convened for

purposes of discipline which the grievant demands be closed to the public and at which the grievant declines representation.

(t) No action may be taken by the Board against any employee because of his participation in a grievance.

(u) No competing labor or teacher organization or its representatives shall have the right to participate at any step/level of this grievance procedure.

Section 8:04 - Grievance Step I - Superintendent's Level

Within 15 calendar days of the occurrence of circumstances giving rise to a grievance or within ten (10) working days after an informal conference held in accordance with Article VI, whichever period is longer, the grievant shall submit the grievance in writing to the principal or supervisor whose action or inaction is being questioned. The grievant shall also provide the Superintendent and the Federation with a copy of the grievance. Upon receipt of the written grievance by the Superintendent, or her designee shall place the grievance on the agenda for the next scheduled grievance meeting. If the Superintendent receives the written grievance less than three (3) days prior to a scheduled grievance meeting, unless the parties mutually agree otherwise, that particular grievance shall be held over to the next following grievance meeting. Grievance meetings shall be held at the School Board office beginning at 4:00 p.m. on the second Monday of each month, provided this date is not a school holiday. In the event it is a school holiday, the grievance meeting shall be held on the next Monday which is not a school holiday. The Superintendent shall provide the grievant(s) and the Federation with a written disposition of the grievance no later than seven (7) days following the grievance meeting.

Section 8:05 - Grievance Step II - Board Level

If the grievance is not resolved to the satisfaction of the Federation or the grievant at Step I, the matter may be appealed to the Board by the Federation giving notice thereof within ten (10) days after receipt of the Step I decision. The grievance appeal shall be in writing. Upon receipt of the written appeal, the Board shall arrange to hear the grievance as a full body or as a subcommittee of no less than three (3) members no more than 20 days after the Board's receipt of the written appeal. The Board shall provide the grievant and the Federation a written disposition of the grievance no later than seven (7) days following the grievance meeting.

Section 8:06 - Grievance Step III - Arbitration

(a) If not satisfied with the decision on any grievance rendered by the Board, the Federation may submit such grievance to arbitration by giving written notice to the Superintendent of its intent to arbitrate within ten (10) days from the date on which the Board's disposition is received.

(b) Within ten (10) days of submission of a written notice to arbitrate, the Federation shall request the Federal Mediation and Conciliation Service, in writing, with copy to the Superintendent, to immediately begin selection of an arbitrator. Such selection shall be in accordance with the procedures set out under the FMCS Rules and Regulations. If the Federation fails to request a panel of arbitrators within this period, the Board will have five (5) days thereafter to request an FMCS panel and proceed to arbitration.

(c) Following his selection, the arbitrator shall schedule a hearing at a time, date and place mutually satisfactory to the parties. If the arbitrator, for whatever reason, is unable to hold the arbitration hearing within four (4) months of the date he is notified of his selection, either party shall be free to reject the arbitrator and request that a new panel be submitted by the FMCS.

(d) The decision of the arbitrator shall be binding upon the parties.

ARTICLE IX - DISCIPLINE

Section 9:01 - No Discipline Except with Just Cause

No employee will be arbitrarily disciplined or disciplined on account of whim or caprice. As used herein, the term "discipline" includes notices of verbal warning or verbal reprimand reduced to writing, written warnings and written reprimands, suspensions and discharges or dismissals.

In the event an employee is dismissed or discharged, the just cause and due process provisions of this Article shall be governed and satisfied by observance of the procedure adopted pursuant to La. R.S. 17:81.5, which shall hereafter consist of the steps outlined in Section 9:02 following which an employee shall have the right to a hearing before the Board with any appeal therefrom directed to the District Court.

When disciplinary action is taken, written notice of the reason for the disciplinary action will be mailed to the employee's last known home address or delivered by hand to the employee.

Section 9:02 - Just Cause Procedure

(a) Prior to taking disciplinary action against any employee, the employer shall convene a conference with the employee unless otherwise agreed by the employee and employer. Twenty-four hours of notification shall be given to the employee in order to secure representation. The employee shall appear with his Federation representative unless he expressly disclaims the representation of the Federation. If he disclaims the representation of the Federation, he shall so indicate on an official disclaimer form to be printed in quadruplicate and made available by the Board. One (1) copy of the disclaimer form shall be placed in the employee's personnel file, one (1) copy shall be given to the employee, one (1) copy shall be given to the Superintendent and one (1) copy shall be given to the Federation.

No more than two (2) representatives shall be present and speak on behalf of an employee at disciplinary conferences without the consent of the principal, supervisor or administrator conducting the conference. By Federation representative is meant any individual, exclusive of legal counsel, allowed by the Federation to represent Federation members and Bargaining Unit employees.

(b) One purpose of this conference will be to fully explain to the employee the reasons why disciplinary action is being considered or why it may be warranted before any discipline is imposed.

(c) Another purpose of the conference is to give the employee the opportunity to present any information, evidence or mitigating circumstances which he believes should preclude or moderate any disciplinary action.

(d) The employee's building level file shall be available at this conference for review by the employee and by the employee's Federation representative if the conference is held on building grounds. If there is a dispute concerning what is or is not contained in the employee's official personnel file, meaning the file maintained by the Assistant Superintendent of Human Resources, this file shall also be available for review before the conference is concluded. The official personnel file shall always be available for review if the disciplinary conference is held at the School Board office.

(e) If imperative or special circumstances make the convening of an informal disciplinary conference impossible or impractical within a reasonable period of time, it shall not be required to convene such a conference.

(f) After conclusion of a disciplinary conference, the administrator conducting the conference shall make his decision, in writing, with a copy to the employee involved. If the decision involves the suspension or dismissal of an employee, the administrator shall make his recommendation in writing to the Superintendent with a copy to the employee. The Superintendent shall either affirm, modify or overrule this written recommendation.

(g) Employees who no longer are employed by the Board shall retain the right to grieve within the grievance time frame alleged violations of this Agreement which occurred during their employment or concurrent to their involuntary termination.

(h) Anonymous complaints shall not be used as the basis for an employee's reprimand, criticism or discipline.

Section 9:03 - Complaints Against Employee

(a) If an employee shall become the subject of a complaint:

(1) Any discussion between the Administration and the employee regarding the allegation shall be conducted in a private setting;

- (2) Prior to any final action of a disciplinary nature being taken, a disciplinary conference shall be conducted between the administrator and the employee in accordance with the provisions of this Article;
- (3) The administrator shall, at all times, proceed in a manner which assumes the innocence of the employee until such time as the allegation is supported by evidence to the contrary; and
- (4) At any disciplinary conference, the employee may be accompanied by a Federation representative.

(b) Complaints involving corporal punishment and/or moral offenses concerning students which become the subject of any disciplinary conference shall be reduced to writing with sufficient specificity to fully apprise the employee of the nature and substance of the allegations along with the identity of the person making the allegations. A period of at least 72 hours will be allowed by the principal or administrator who called the disciplinary conference for the employee to prepare a response to the allegations. No decision regarding discipline will be made prior to expiration of the 72-hour period or prior to receipt of the employee's response, whichever occurs first.

(c) If the accusation is determined to be unfounded, all documents relating thereto shall be expunged from the files of the Board.

(d) The Board shall defend and hold harmless any employee for actions fully within the course and proper scope of employment in any civil suit for damages. This obligation shall not extend to the defense or indemnity of any employee whose actions or omissions, upon which a suit is based, were willful, malicious, intentional or criminal in nature.

Section 9:04 - Public Reprimand Prohibited

The Board agrees that it is inappropriate to reprimand employees in the presence of other employees, students, parents or others. No employee shall be reprimanded in front of any parent, employee, pupil or other person except within the context of a grievance or disciplinary hearing or disciplinary conference or in the context of counseling the paraprofessional with regard to his duties at which time the teacher may be present. It is also understood by the parties that the provisions of this Article will not apply to any "reprimand" delivered in public during the course of a public confrontation or disturbance created by an employee, when the employee has refused a directive to retreat for a private discussion.

Section 9:05 - Sexual Harassment

A sexual harassment complaint by an employee against another employee or against a supervisor shall be processed and resolved in accordance with the Board's policy on sexual harassment. In situations where the Superintendent determines that an employee has committed a serious violation of the sexual harassment policy, the parties agree that the Superintendent may transfer said employee involuntarily and that the involuntary transfer provisions of this Agreement may be superseded. However, the Board's sexual harassment policy shall not supersede the discipline or grievance and arbitration provisions of this Agreement which may be invoked by any employee disciplined or involuntarily transferred.

ARTICLE X - PERSONNEL FILES

Section 10:01 - Definitions

Document means any written or otherwise tangible material intended to be or actually used as a part of or any evidence of the work history of any employee including but not limited to any and all reports, comments, reprimands, correspondence, memoranda, evaluations, observations and grievances relative to a particular employee.

Personnel file means the file or files which contain the cumulative collection of any and all documents maintained by the Board with respect to each individual employee.

Personnel file custodian means those persons employed by the Board charged with the duty of maintaining and preserving the personnel files.

Third party means any person or entity not regularly employed or employed under a contract by the Board.

Section 10:02 - Procedures for Filing Materials

Each document concerning an employee shall be placed in the employee's personnel file within a reasonable time and no document, except those resulting from routine record-keeping, shall be placed in an employee's personnel file unless and until the employee is presented with the original document and a copy thereof prior to its filing. Upon receipt of the original document and copy of the same, the employee shall sign the original document as an acknowledgment of the receipt of the copy of the document. Such signatures shall not be construed as an agreement to the contents of the document.

Section 10:03 - Right to Respond to Materials in File

Each employee shall be given the opportunity to rebut and to respond to a document placed in his personnel file. The rebuttal and response must be in written form and once filed shall be attached to the document to which the rebuttal and response applies, and thus become a permanent part of the employee's personnel file as long as the document remains a part of the personnel file. No document or copy thereof, to which a rebuttal and response has been filed, shall be used for any purpose whatsoever unless the rebuttal and response or copy thereof is attached to the document or copy sought to be used. An employee shall have the right to receive proof of any allegations and statements contained in a document placed in his file that the employee believes to be inaccurate, invalid, or misrepresented. If such proof is not presented, the document containing the allegations and statements shall be removed from the employee's personnel file and destroyed.

Section 10:04 - Rebuttal and Response Procedure

Any rebuttal and response to a document placed in an employee's personnel file shall be filed by the employee within 15 working days from the date on which the employee signs the document acknowledging its receipt.

The employee may be granted an additional ten (10) working days for the filing of the rebuttal and response, provided the employee requests such an extension in writing addressed to the personnel file custodian within the original 15-day period. The personnel file custodian's consent to the ten (10) day extension of time shall not be unreasonably withheld.

The rebuttal and response shall be deemed filed by the delivery of the original and one (1) copy of the rebuttal and response to the personnel file custodian. The personnel file custodian shall then sign and date the original rebuttal and response and file the same into the employee's personnel file. The personnel file custodian shall also sign and date a copy of the rebuttal and response and return the same to the employee.

Section 10:05 - Right to Examine File

No employee shall be denied access to his personnel file. The contents of an employee's personnel file shall not be divulged to third parties without the express written consent of the employee, except when ordered by court or by subpoena, and no employee of the Board other than the personnel file custodian or the Superintendent, or the designee of either, which said designee must be an employee of the Board, shall be allowed access to an employee's personnel file without the employee's express written consent, unless that employee is charged with the duty of supervising that particular employee's performance. In the case that a personnel file should be accessed by someone other than the Superintendent, her designee or the employee's principal, the employee whose file was so accessed shall receive written notice of the fact and the name and title of the person who was permitted access. All persons permitted access under this Section shall maintain the confidentiality of those documents in the file which are not matters of public record.

Any employee requesting to see his personnel file shall be given access to his entire personnel file at a single location and within a reasonable time after making the request. Such an employee shall be given access to any portion of his personnel file maintained at his worksite, at such site and at any reasonable time.

Section 10:06 - Right to Copy File

Employees may be permitted to reproduce a copy of the contents of their personnel files, in the Department of Human Resources, in accordance with present practice.

Section 10:07 - Anonymous Letters

No anonymous letters or materials may be placed in a personnel file.

Section 10:08 - Dated Material

All material shall be dated except routine documents where dating is immaterial.

ARTICLE XI - EMPLOYEE EVALUATION

Section 11:01 - In General

Paraprofessionals will be evaluated by the school principal or administrator.

Section 11:02 - Evaluation Forms

Evaluation forms will be prepared in triplicate: one (1) for the paraprofessional, one (1) for the principal and/or supervisor, and one (1) for the Superintendent of Schools.

Section 11:03 - Discussion of Evaluation

Within five (5) working days of the official written evaluation of any paraprofessional, the evaluator shall provide a copy of the evaluation and meet with the employee to discuss the evaluation and to render constructive assistance.

Section 11:04 - Procedure to Rebut Evaluation

The parties subscribe to the principle that evaluation is not discipline. Nonetheless, employees shall be given the right to rebut or contest any evaluation deemed unfavorable through the grievance procedure established in the Agreement but the same shall not be arbitrable.

ARTICLE XII - SENIORITY

Section 12:01 - In General

An employee shall begin to accrue seniority starting on the first day on which he is scheduled to perform duties and shall continue to accrue seniority during the length of his continuous, uninterrupted service with the St. Tammany Parish School System. Full-time and part-time employees shall accrue seniority during their period of continuous, uninterrupted service as specified in Section 12:04 below. If any number of employees have accrued an equal amount of seniority, seniority shall be determined by lot whenever it is used as criteria for an advantage or emolument of employment.

Section 12:02 - Seniority List

In October of each school year, the Board shall make available an alphabetical seniority listing of all employees, by Bargaining Unit category, showing the date on which each commenced his service in the St. Tammany Parish School System and the total number of years of seniority accrued by each individual listed. A copy of the seniority list and any subsequent revisions will be furnished to the Federation. Additionally, a copy of the seniority lists shall be available in all buildings of the School District where they may be readily accessed by any employee or building representative.

Section 12:03 - Loss of Seniority

For purposes of defining seniority, an employee's continuous service shall be broken only by resignation, dismissal for cause, retirement or layoff for a period of time equal to seniority at the time of layoff or for three (3) years, whichever is less. Participation in DROP will not constitute loss of seniority.

Section 12:04 - Accrual of Seniority

(a) Full-time employees shall accrue seniority commensurate with and equal to their uninterrupted service. Full-time employees on layoff or on compensated leave shall continue to accrue seniority. Full-time employees on authorized leave without pay shall continue to accrue seniority during the period of their authorized leave of absence without pay only if specified in

the provisions of this Agreement governing such authorized leave of absence without pay. Full-time employees who perform management or administrative functions for the Board shall continue to accrue seniority while performing such duties, and shall suffer no loss of seniority on account of their being promoted, temporarily or permanently, into full-time management or administrative positions.

(b) Part-time employees shall accrue seniority each school year by taking the total number of "hours worked" in a school year, converting those hours to "days worked" by dividing hours worked by seven (7) and by then expressing "days worked" as a percentage of a "year worked." For example, a part-time employee who works 14 hours in a school year will accrue two (2) "days worked" expressed as 2/180th or 1/90th of one (1) year of seniority. Part-time employees on layoff or on authorized leave of absence without pay shall not accrue seniority.

Section 12:05 - Noncertificated - Years of Service

An employee's years of service in the School System shall be carried with the employee if the employee transfers from a noncertificated position to another noncertificated position. The sole intent of this provision is to allow the transferring employee advancement on the salary schedule. The years of service carried forward shall not be calculated in determining an employee's seniority in his new position for purposes of promotion, reduction in force, bidding on vacancies or for any other purpose.

ARTICLE XIII - VACANCIES AND TRANSFERS

Section 13:01 - Voluntary Transfers

(a) A voluntary transfer is the voluntary movement of an employee from one worksite or school to another worksite or school. Any member of the Bargaining Unit shall have the right to request a voluntary transfer.

(b) All known vacancies and new positions shall be posted on the Federation bulletin board located in each school. A copy of the posting shall also be sent by mail to the Federation office.

(c) Any employee desiring to transfer from his position to one of the vacant positions must file an application for that vacant position containing such information as may be required by the Assistant Superintendent of Human Resources by the deadline established for applying. All vacancy postings shall provide a minimum of seven (7) workdays prior to the deadline for application. Application forms will be made available in each school building.

(d) Transfer requests shall be granted in filling vacancies to the applicant(s) possessing the greatest number of years of service in the St. Tammany Parish School System except as follows:

- (1) When an applicant does not meet or cannot fulfill the requirements or guidelines of federal, state or local programs;
- (2) When a paraprofessional is not willing to take the necessary training to qualify for the vacancy;
- (3) If the applicant is not willing or able to assume special responsibilities required by the position, as specified at the interview;
- (4) When the applicant is not the individual deemed best able to meet the needs of the school; and/or
- (5) When the principal deems it appropriate, based on the criteria numbered (1) through (4) above, to review the qualifications of new applicants prior to making his decision, in which case all applicants will be considered for the position before it is filled.

(e) Principal/supervisor will then make a recommendation to the Supervisor of Human Resources.

(f) The principal/supervisor shall provide written reasons, on request of any unsuccessful applicant, through the Department of Human Resources, explaining the basis for the selection he made.

(g) A transfer request may be withdrawn in writing any time prior to the applicant's acceptance of the position.

(h) The Board shall implement all voluntary transfers for which vacancies exist before implementing involuntary transfers. This does not preclude the Board from acting upon subsequent voluntary transfer requests as vacancies become available.

Section 13:02 - Involuntary Transfers

(a) An involuntary transfer is the involuntary movement of an employee from one school or worksite to another school or worksite. Involuntary transfers may occur for any of the following reasons:

- (1) When new buildings open;
- (2) When a facility is closed;
- (3) When there is a decline in student enrollment;
- (4) To staff new schools or programs;
- (5) To adjust for loss of classes or programs; or
- (6) To avoid reductions in force.

(b) Before involuntarily transferring any employee, voluntary transfer to a vacant position at another school or worksite will be offered to those who transfer would make the involuntary transfer unnecessary. Anyone requesting a voluntary transfer may withdraw this request at any time prior to agreeing to accept a position. Those employees willing to transfer in order to avoid their own involuntary transfers or to avoid the involuntary transfer of another employee will have priority for unfilled vacancies over any other applicants.

(c) It is recognized that there might be more than one (1) employee willing to transfer; and, in such case, the vacant position will be awarded to the employee qualified for the position with the greatest system-wide seniority. If two (2) or more qualified employees desire the vacant position and have equal system-wide seniority, the position will be awarded by lot.

(d) If involuntary transfer cannot be avoided by following the voluntary transfer provisions of this Section, employees will be chosen for involuntary transfer to positions for which they are qualified using the following criteria:

- (1) The employee(s) with the least building or worksite level seniority;
- (2) Where building level or worksite level seniority is equal, the employee(s) with the least system-wide seniority will be involuntarily transferred; and
- (3) Where building or worksite level seniority and system-wide seniority are equal, selection for involuntary transfer will be made by lot.

(e) Employees who are involuntarily transferred shall have the right to return to the school or worksite from which they were transferred in order of system-wide seniority, provided a permanent vacancy for which they are qualified occurs at their former schools or worksites prior to the first pupil attendance day of the school year following the school year in which their transfers took place and will be restored of all previous building level seniority accrued at that school or worksite. An employee interested in returning to his former school or worksite shall notify the Human Resources Department in writing.

(f) Where the entire student body of a school building or an entire grade, department or classification is moved en masse to another school building or split between schools, the employees whose classes are transferred to the new location shall be transferred with their classes.

(g) Any employee who is involuntarily transferred shall not again be involuntarily transferred for a period of two (2) school years.

(h) An employee may also be transferred involuntarily at the direction of the Superintendent when the Superintendent determines that special or exigent circumstances, or conflicts between employees, make it necessary to transfer one or more employees in the interest of security and safety. Any employee involuntarily transferred under this provision may grieve the transfer under the grievance and arbitration provisions of this Agreement. Before an involuntary transfer occurs under this provision, the provision of the just cause procedure, Article IX, shall be observed.

ARTICLE XIV - REDUCTION IN FORCE

Section 14:01 - In General

When conditions necessitate a reduction in force, the following priorities and procedures shall be used to accomplish the reduction in force. All possible alternatives to the layoff of employees will be considered prior to implementation of any reduction in force.

Section 14:02 - Reduction in Force Procedure Definitions

Reassignment means the act of transferring an employee from one position to another position at the same pay level and with the same general duties and authority.

Reclassification means the process of transferring an employee from his current position to a position with greater or lesser authority and with a greater or equal rate of compensation.

Reduction in work schedule means the act of reducing the amount of employment time established for a position and the pro rata share of compensation pursuant thereto.

Displacement means the act of removing an employee from any particular assignment for a period not to exceed 90 calendar days and placing the employee in a status where benefits are suspended and the employee is awaiting reassignment, reclassification or termination.

Termination means the involuntary separation of an employee from employment. The non reappointment of an employee on a specified term appointment is not a termination.

Section 14:03 - Alternatives and Impact Bargaining

Prior to any reduction in force, the Superintendent shall consider all viable alternatives to the layoff or termination of employees including projected attrition, retirement, expiration of temporary assignments, voluntary leaves of absence, reassignment, reclassification, reduction in work schedule and displacement and any recommendation made by the Federation.

Having considered such alternatives and the Superintendent's recommendation, the Board shall decide whether a reduction is required and the extent of the reduction in the School District's work force for any one or more of the following reasons:

- (1) Elimination, curtailment or reorganization of a curriculum, co-curriculum and/or extracurriculum offering, program or school operation,
- (2) Reorganization or consolidation of one or more schools or programs,
- (3) Reduction in available funds for any program that results from a decline in enrollment; and
- (4) The withdrawal or reduction in resources from federal, state or other sources.

The Board shall bargain with the Federation over the impact of such a reduction prior to any implementation.

Section 14:04 - Specific Board Approval Required

The Board shall only approve a reduction in force at an official Board meeting during which the reason for the reduction is given. At this meeting, the Board shall receive the Superintendent's recommendation and render its decision.

Section 14:05 - Procedure for Implementation

If the alternatives to a district-wide reduction in force as specified in Section 14:03 are insufficient in the opinion of the Board, and further reductions in force are necessary, the Board will then consider layoffs among regular or permanent qualified personnel. Any layoffs ordered by the Board shall be in inverse order of seniority, providing the employees remaining are fully qualified for the positions needed (e.g., library aide or special education aide). When employees have equal seniority and qualifications, selection for layoff shall be by lot.

Section 14:06 - Notification of Layoff

No employee shall be laid off without first having been given at least 45 days notice of layoff prior to its effective date. Notice shall be sent by certified mail, return receipt requested, to the employee's address, as it appears on School System records. It shall be the responsibility of each employee to see that his current address is on file. Notification sent to the address of an employee on file as specified herein shall be deemed adequate notification of layoff.

Section 14:07 - Re-employment Rights

Employees receiving notification of layoff shall be eligible for recall or re-employment for three (3) years after being placed on layoff. No new positions will be filled until all qualified personnel on layoff have been recalled provided those on layoff are qualified for the positions needed. Recalls will be made by recalling the most senior person on layoff who is qualified for an existing vacancy (e.g., a library aide vacancy or a special education vacancy).

Section 14:08 - Recall Notices

The notice of recall shall be made by certified U. S. mail, return receipt requested, properly addressed to the last address given to the Board by the employee being recalled. If the employee being recalled fails to accept the position being offered, in writing, within 15 calendar days if offered during the school year, or 30 calendar days if offered during the summer recess, it will be considered that the employee has refused the recall offer, thereby eliminating all re-employment rights of the employee.

Section 14:09 - Recall - Restoration of Seniority and Leave

An employee who is laid off and re-employed shall be reinstated with maximum credit for the time already served. An employee who is recalled after being laid off shall have restored to him all of the unused leave he had accrued on the effective date of the layoff.

Section 14:10 - Recall List

A recall list shall be provided to the Federation and shall be amended semiannually thereafter.

Section 14:11 - Maintenance of Group Health and Life Benefits

An employee on layoff remaining on the recall list will be permitted to maintain in full force any Group Health and Life Insurance benefits for which he is eligible under this Agreement and which the law will permit him to continue in effect provided that he makes satisfactory arrangements with the Department of Human Resources to pay the full cost or the full premium for such benefits in advance of it becoming due. Signing in and out in this manner shall also apply in cases where paraprofessionals have a 30-minute duty-free lunch.

(d) Any hours worked by a paraprofessional in excess of 40 in a single workweek shall be compensated in accordance with the FLSA by paying the paraprofessional 1.5 x his or her regular rate, or, alternatively, by giving the employee compensatory time-off equal to 1.5 hours for each

hour worked in excess of 40. The Superintendent shall decide whether to compensate overtime with extra pay or with compensatory time off.

(e) The parties understand and agree that the salary paid to paraprofessionals is based on a 40-hour week. Although they will be scheduled to work the same hours as teachers, i.e. less than eight (8) hours per day and less than 40 hours per week, there may be occasions when a paraprofessional remains at work longer than his or her scheduled hours for a given day to perform nonclassroom duty, attend faculty meetings or perform other duties, in which case additional compensation need not be paid in order to comply with the FLSA.

Employees who are hired and report after the beginning of the school year shall be credited with one (1) day per month for sick and/or emergency leave, without loss of pay or benefits, for each of the remaining months of the school session.

All sick and/or emergency leave granted under this Section which is accumulated by each employee shall be vested in the employee by whom such leave has been accumulated.

When an employee is absent for six (6) or more consecutive days because of personal illness, he shall be required to present a certificate from a physician certifying such illness.

Upon the retirement of any employee, or upon his death prior to his retirement, the Board shall pay to such employee or to his heirs or assigns, whatever sick and/or emergency leave has accrued to such employee but which remains unused at the time of his retirement or at the time of his death prior to retirement, not to exceed 25 days of such unused leave time. Such pay shall be at the rate of pay received by the employee at the time of retirement or death prior to retirement.

Nothing contained herein shall be construed to abrogate any right provided under State law for an employee to apply unused accumulated sick and/or emergency leave towards service credit for purposes of computing retirement benefits.

Section 18:02 - Personal Leave

Each employee shall be allowed to use up to three (3) days of his sick and/or emergency leave earned each school year for purposes as may be determined by the employee. Such employee shall be required to present a certificate from a physician certifying such injury or disability. Nothing in this subsection shall prohibit the Board from extending this period beyond 90 days.

(c) The leave authorized by subsections (a) and (b) above shall be in addition to all other sick leave provided for by this Agreement provided that additional sick leave earned during the period of disability as a result of such assault and battery shall not be accumulated from year to year, nor

(d) Any employee who is injured or disabled while acting in his official capacity, but not as the result of an assault or battery, shall be entitled to weekly wage benefits under the Workers' Compensation Law of the State of Louisiana. At his option, he may take paid leave accrued under Section 18:01 of this Agreement in addition to or instead of workers' compensation or he may supplement workers' compensation with his paid leave. In no event shall workers' compensation benefits as supplemented by paid leave exceed the total amount of regular salary the employee was receiving at the time the injury or disability occurred. In any case in which an employee supplements workers' compensation with paid leave accrued under Section 18:01 of this Agreement, the amount of leave used shall be calculated on an hourly basis.

(e) Any employee entitled to special leave under this Section shall also be entitled to medical benefits as may be provided under Workers' Compensation Law.

Employees shall be responsible for submitting verification for their summons or selection for jury duty and for reporting any compensation received as a juror to the Superintendent.

(b) An employee subpoenaed as a witness in a judicial proceeding shall suffer no loss of pay or benefits during the period of his attendance. The employee shall notify his principal of such subpoena being served as promptly as possible and shall advise of such proceedings in sufficient detail to permit a determination of the applicability of this Section. Upon request of the principal, the employee shall also furnish a copy of the subpoena. The employee shall remit to the Board any monies received in connection with such proceeding other than as reimbursement for meals and travel.

ARTICLE XIX - LEAVE WITHOUT PAY

Section 19:01 - Military Leave

Any employee who may enlist or be drafted into the armed forces of the United States shall be granted a military leave, without pay or benefits. Tenure rights that the employee has attained prior to leave shall not be affected. Within 30 days after discharge, the employee must apply to the Assistant Superintendent of Human Resources for reinstatement. The employee shall then be reinstated based on his education and years of experience and in accordance with the salary then in effect. The employee shall be reinstated into his former position if same is available; otherwise, he shall be reinstated in a position of comparable status and salary. While serving in the armed forces, the employee shall continue to accrue seniority under the provisions of this Agreement. The Board may transfer the employee to a position of comparable status and salary if in the opinion of the Board such action is beneficial to the System as a whole.

Section 19:02 - Public Service Leave

Upon written application to the Superintendent, an employee elected or appointed to a local, state or national public office may be granted a leave of absence, without pay, benefits, or accrual of seniority for a period not exceeding one (1) year. The Board must determine that leave is in the best interest of the School System. The granting of such leave, or the failure to grant such leave, for any applicant shall not establish a precedent for any other applicant.

Section 19:03 - Temporary Disability Leave

A temporary disability shall be considered hereunder as any disabling medical condition which precludes an employee from performing the duties of his job position for a temporary period of time.

An employee who is or expects to be temporarily disabled must notify the Department of Human Resources and his school principal or supervisor in writing. Notice must be given at the earliest possible date after an employee becomes aware of the disability.

An employee anticipating a temporary disability, but not yet on leave, shall be permitted to continue employment provided the employee's physician certifies that the employee is physically capable of performing his regular employment duties. The employee must also submit a physician's certificate indicating the date the disability has commenced and certifying that the employee will be temporarily unable to work.

An employee temporarily disabled must submit written verification to the School Board every six (6) weeks of the continued existence of the temporary disability. Verification shall include certification from the employee's attending physician that the employee is temporarily unable to return to work. Any question regarding whether the claimed disability is bona fide will be resolved by a Board appointed physician who shall examine the employee and render a report on his findings.

Employees shall apply unused sick leave toward any temporary disabilities, commencing with the first day of absence from work until such time that accumulated sick leave days are exhausted. Employees whose temporary disabilities are longer in duration than six (6) consecutive working days and who exhaust all of their accumulated sick leave days, and whose continuing disabilities are not being compensated under Section 19:04 of this Agreement shall be granted a temporary disability leave without pay for the duration of their temporary disabilities, but not to exceed one (1) year.

This Section does not apply in any respect to employees who are permanently disabled. Additionally, if an employee's disability becomes permanent in nature, even though the employee's disability commenced as a temporary one, this Section will no longer apply to that employee.

Employees are to return to official duties at the termination of their temporary disability and to submit a physician's statement certifying satisfactory physical condition upon returning to duty.

If an employee's disability concludes within 90 days, the employee will be returned to the same position at the same school site as soon as is practicable. If an employee's disability lasts longer than 90 days, the employee will be given consideration to return to the same position. The Department of Human Resources and the employee will discuss the availability of the position and the most appropriate time to return from inactive status.

Section 19:04 - Special Leave of Absence

(a) An employee may be granted a leave of absence without pay for a period not exceeding one (1) year upon written application to the Department of Human Resources if, in the discretion of the Board, such leave is in the best interest of the School System. The granting of such leave shall not affect any accumulated sick leave which the applicant may have acquired prior thereto. Upon return from leave without pay, the employee shall be assigned to a position comparable to the one held prior to his departure for leave.

(b) A special leave of absence without pay not to exceed 20 consecutive working days may be authorized by the Superintendent. If such leave is granted by the Superintendent, it shall not affect any accrued sick leave which the applicant may have acquired prior thereto. The request to the Superintendent must be in writing on a proper application form as provided by the Department of Human Resources and submitted to the Superintendent at least 30 days prior to the commencement of the leave except in an emergency situation. Upon return from a special leave without pay, the employee shall be returned to the school and assignment from which the leave was taken.

(c) Granting or denying of any request for special leave without pay shall be within the sole discretion of the Board in the case of a leave in excess of 20 consecutive working days and within the sole discretion of the Superintendent in the case of a leave of less than 20 consecutive working days. The granting or withholding of any request for special leave shall be nonprecedential with respect to any other application. Upon return from a special leave without pay, the employee shall be assigned to a position comparable to the one held prior to his departure for leave.

(d) If the request for leave without pay is granted by the Board, the applicant may continue his group hospital and life insurance benefits by paying the full cost for the period of the leave. "Full cost" means the entire cost or premium for said insurance irrespective of whether the employee generally contributes only a portion of the costs.

(e) Employees who do not wish to return to the St. Tammany Parish School System from any leave of absence without pay shall inform the Superintendent in writing that they do not intend to return to the School System. Employees who do not notify the Superintendent of their intentions prior to the end of the leave shall be considered as having resigned from the St. Tammany Parish School System.

(f) Such application may be rescinded at any time by giving notice thereof in writing to the Superintendent or to her designee. Such leave may be rescinded at any time if the Board determines that the employee is working in another School System or if rescision is in the best interest of the St. Tammany Parish School System for any other reason.

Section 19:05 - Special Leave Without Pay for Federation Service

Employees who are Federation members, not to exceed two (2) in number, who are elected or appointed and accept full-time or part-time positions with the Federation, Louisiana Federation of Teachers, American Federation of Teachers or its affiliates, will, upon proper request be authorized a leave of absence without pay or benefits, not to exceed two (2) years, except the employee on leave hereunder may maintain in full force any benefits for which he is eligible under this Agreement and which the law will permit him to continue provided he makes satisfactory arrangements to pay the full cost or full premium in whatever amount the Board would ordinarily contribute for such benefits in addition to whatever amount the employee himself is ordinarily required to pay. An employee granted a leave hereunder who subsequently returns to full-time service for the Board shall be assigned to a position similar to the one held prior to the leave if such shall then exist and shall be credited with one (1) year of seniority for

each year of such leave. Leave granted under this Section may be renewed in one (1) year increments at the discretion of the Superintendent and under such special terms regarding reassignment upon return from leave as may be agreeable to the employee and to the Superintendent.

Section 19:06 - Poll Officials' Leave

An employee who wishes to serve as an official at the polls during an authorized city, parish, state or federal election shall be allowed to do so, provided the employee provides 24 hours notification to his supervisor. Such leave shall be without pay.

Section 19:07 - Family Leave

(a) An employee may obtain a leave of absence without pay for a period not to exceed 12 weeks in any work year pursuant to the Family Leave Act. Leave will be granted for any of the following reasons: birth of a child and child care; placement of a child for adoption or foster care; to care for an employee's seriously ill spouse, child or parent; or because of a serious health condition which makes the employee unable to perform his job functions. The legal provisions of the Family Leave Act will be observed in connection with such leaves.

(b) The request for leave under this Section must be in writing on an application form as provided by the Department of Human Resources. The request for family leave shall be accompanied by a medical certification where appropriate. Medical certification shall be renewed and updated as the law may permit. Upon return from leave under this Section, the employee shall be returned to the school and assignment from which the leave was taken or to an equivalent position.

(c) Medical benefits will be continued during the leave provided the employee pays that portion of the premium he is required to pay under this Agreement.

(d) Employees who do not wish to return to the St. Tammany School System from any leave of absence without pay shall inform the Superintendent in writing that they do not intend to return to the School System. Employees who do not notify the Superintendent of their intentions prior to the end of the leave shall be considered as having resigned from the St. Tammany Parish School System.

ARTICLE XX - SICK LEAVE BANK

A Sick Leave Bank may be established and managed by the Federation, as long as it incorporates and adheres to the following terms, conditions and provisions outlined in this Article.

Section 20:01 - Eligibility to Participate

(a) Only members of the sick leave bank shall draw days from the bank.

(b) In order to become a member, an employee must have a balance of at least 15 days of sick leave, vacation leave or a combination of both on May 10th prior to the commencement of the fiscal year in which he wishes to become a member. The employee must also make an initial donation of one (1) day to the Bank between May 10th and June 10th prior to the commencement of the fiscal year in which he will become a member. Employees who have the aforesaid requisite balance and make the requisite contribution will become members. In order to remain a member, an employee must have a balance of at least 11 days of sick leave, vacation leave or a combination of both on May 10th of each subsequent fiscal year and must donate one (1) day prior to June 10th of each subsequent fiscal year.

(c) If an employee either fails to make or is unable to make the subsequent donations, or if the employee no longer has the requisite balance of 11 days on May 1st, he shall no longer be a member of the Bank and no longer be eligible to draw from the Bank.

(d) Once an employee loses membership, he can again become a member, but only by meeting the requirements of (b), above.

(e) The Bank's administrators, or designee, shall request that members with a balance of at least 12 days of sick or vacation leave or a combination of both donate two (2) days, instead of

one (1), prior to the commencement of any fiscal year in order to maintain their membership; but no member shall be required to donate the extra day.

(f) All donations required hereunder shall be made by the 10th of June in any given year. The Bank's administrators, or designee, shall provide the Department of Business Affairs with a list of participants no later than the 16th of June of each year.

Section 20:02 - Donated Days Irretrievable

Days donated to the Bank by any employee shall be irretrievable once donated unless the Bank is terminated as provided hereinbelow.

Section 20:03 - Eligibility and Limitations Relating to Drawing from the Bank

Only those employees who have exhausted all sick leave, extended sick leave, vacation leave and who are not being compensated for leave under workers' compensation or under some other provision of this Agreement will be eligible to withdraw days from the Bank and only for the following reasons and with the following limits:

(1) Nonelective surgery and recovery from it for which the draw from the Bank shall not exceed a total of 25 days;

(2) Catastrophic illness or disease such as cancer, heart disease or stroke for which the draw from the Bank shall not exceed 60 days;

(3) Physical injury resulting from trauma which prevents an employee from working for a period not less than three (3) consecutive calendar weeks in which case the maximum draw from the Bank shall be five (5) days for each three (3) week period the employee is certified as unable to report to work, with a maximum draw of ten (10) days; and

(4) Illness and complications from pregnancy for which the draw from the Bank shall not exceed ten days.

Further, the Bank's administrators, or designee, at all times shall have the right to limit the number of days a participant shall withdraw based on the number of days in the Bank at any given time.

Section 20:04 - Application Procedure

Applications for the withdrawal of days shall be presented on a form, available through the Federation, to the Sick Leave Bank's administrators. The decision to grant or deny the application shall be final and binding and not subject to the grievance and arbitration procedure.

Section 20:05 - Limitation on Withdrawals

Considering that the purpose of the Sick Leave Bank is to provide assistance to eligible employees on a short term basis, members eligible to draw from the Bank shall not be permitted to withdraw more than 90 days during the entirety of their work career. The parties understand that the Sick Leave Bank is not formulated as a long-term disability plan or as a substitute for disability retirement, but rather contemplates that those applying to draw days from the Bank will recover from their illness or disability within a relatively brief period of time and return to work.

Section 20:06 - Termination of Bank

The Bank's administrators shall have the right to terminate the Bank at the end of any fiscal year. In the event the Bank is terminated either by its administrators or by the Board for reasons outlined herein, any days in the Bank at that time will revert to all active employees who contributed to the Bank at one time or another or a pro rata basis with the caveat that no employee may receive any percentage of a day other than a half day (50% of a day).

Section 20:07 - Governing Administrators

The Sick Leave Bank will be administered by nine (9) Bargaining Unit members appointed by the Federation. This Committee shall be responsible for meeting any and all ERISA requirements applicable to the Bank and its administration. The Board reserves the right to audit the work and records of the administrators to assure compliance with the provisions of this Agreement. If the administrators are not complying with ERISA or following the provisions of this Agreement relating to the Bank, they will be given a period of 30 days to come into compliance, failing which, the Bank will be terminated by the Board.

The administrators shall be responsible for fairly and equitably operating the Bank and deciding all applications for withdrawal. In performing their responsibilities, the administrators shall adopt rules of procedure and appropriate application forms. They shall keep records of applications, decisions on applications, medical certificates and medical reports on applicants. They shall fully cooperate with the Department of Human Resources and provide any information on an applicant which the Department of Human Resources may request. Copies of all approved withdrawals shall be immediately transmitted by the administrators both to the Department of Human Resources and the Department of Business Affairs.

Section 20:08 - Indemnification

The administrators and the Federation shall fully defend and indemnify the Board against any and all claims, lawsuits, damages, losses, attorneys' fees and costs the Board may be called upon or required to pay resulting or arising out of the creation or administration of the Sick Leave Bank.

This Section shall have no application to employees engaged in extracurricular activities either before, after or during the regular school year.

Section 21:05 - Step Increases

ARTICLE XXVI - LOSS OF PERSONAL PROPERTY

The board will not be responsible for any employee's loss of personal property brought to a school or work site; however, in the event an employee's personal property is lost or damaged as a direct result of a disaster, such as hurricane, fire, flood, etc., the board will reimburse the employee's loss or damage in an amount not to exceed \$500 per occurrence.
